INTRODUCING...

ORO & ORO

Showcasing dynamic design-led handles, our new Oro & Oro range is a celebration of Italian style at its finest. As the new exclusive distributors, we've worked with the renowned design house to bring you **11 levers** - 5 stocked & 6 on special order - including classic favourites plus brand new products.

The collection blends classic and contemporary styles. From striking architectural and geometric designs, to sleek and streamlined contemporary handles, the collection features a full range of statement pieces.

The collection is available in two timeless and versatile finishes - **Matt Black** and **Satin Chrome** - ensuring that there's a product to suit every style and space.
