For best results when fixing a floor mounted door stop follow these instructions.

Atlantic recommends this product is fitted by a joiner.

Before beginning installation, check the product is as required/ordered.

Separate out all components supplied as follows:

X1 Door stop

X1 Plug

X1 Screw

- 1) First, mark out the position of the door stop on the floor.
- 2) Then, drill a hole for the pin (already attached to the door stop).
- 3) Insert door stop into the hole.
- 4) Next, open the door to ensure the stop is square to the door.
- 5) Now, drill the hole for the plug at the front of the door stop.
- 6) Insert the plug into that hole and screw into place.
