

## Fitting Instructions – Atlantic Finger Plate

# AFP70085

Date Modified: 17/08/2022

Last modified by: Brock H

For best results when fixing a finger plate follow these instructions.

Atlantic recommends this product is fitted by a joiner.

Before beginning installation, check the product is as required/ordered.

Separate out all components supplied as follows:

X1 Finger Plate

X8 Screws

- 1) First, mark out the desired position of the finger plate on the push side door.
- 2) Then, drill out pilot holes for the screws.
- 3) Finally, fasten into place using the screws provided and make sure to remove the protective covering.
